Producent	EFFAST

Opis produktu

Dwuzłączka PVC GWxGW

Dwuzłączka GW x GW

Technical drawing of a double union fitting (Dwuzłączka) showing dimensions G, F, E, L, Z1, and Z2. The drawing illustrates the profile of the fitting with two threaded ports. Dimension G is the total height, F is the height of the upper body, E is the height of the lower body, L is the length of the lower body, Z1 is the length of the first thread, and Z2 is the length of the second thread.

G	F	E	L	Z1	Z2	PN
